

Shelter Support Housing Boulder Shelter for the Homeless

Shelter Insider: Did You Know?

It's that time of the month--we finally have the tally for the month of October!

- We had 9 housing exits! A housing exit is a happy ending here at the Shelter. This means our team housed 1 person every 3.5 days in October!
- We had 4,772 bed nights. Bed nights is the total number of individuals who slept at the Shelter each night. We averaged 154 clients per night this past month.
- We served 9,544 meals. Our amazing kitchen staff and volunteers made sure that each client had breakfast and dinner during their stays at the Shelter.

One more insight:

- Our outreach team, **BTHERE**, met with 60 clients! The BTHERE goal is to engage with and build relationships with people experiencing homelessness for future connection to housing services outside the Shelter.
